Contact Details:	<p>Registered Office: 3rd Floor, 55 Line Wall Road, Gibraltar GX11 1AA.</p> <p>Telephone numbers: UK: 0044 (0)2036 406843 Gibraltar: 00350 200 75812</p> <p>Email: LCA@stmgroup.online</p> <p>Website: www.londoncolonial.com</p>
Regulator:	LCA is a Gibraltar registered company and is incorporated under the Gibraltar Insurance Companies Act as a Protected Cell Company. LCA is regulated by the Gibraltar Financial Services Commission ('GFSC').

You are about to purchase a product that is not simple and may be difficult to understand.

What is this product?

Type

The Flexible Life Annuity is a unit-linked purchased life annuity written on a single life basis which pays regular annuity payments.

Objective

- to provide flexible annuity payments by allowing the amount and frequency to be varied.
- to provide a wide range of investments, that can be matched to changes in circumstances or attitudes to investment risk.
- at outset, LCA will calculate the level of annuity payments and a tax exempt sum. The tax exempt sum is the amount that can be taken tax-free each year.
- to allow additional premiums to be added at any time. On an additional premium, being paid, LCA will recalculate the amount of annuity payments and tax exempt sum.

Intended Retail Investor

The FLA is intended for individuals who:

- are UK tax resident and are looking for a tax-efficient investment option which provides regular annuity payments for life.
- are prepared to accept the risk of potential investment losses.
- are aged 18 and over. There is no upper age limit.
- have £100,000 or more to invest.

Insurance Benefits

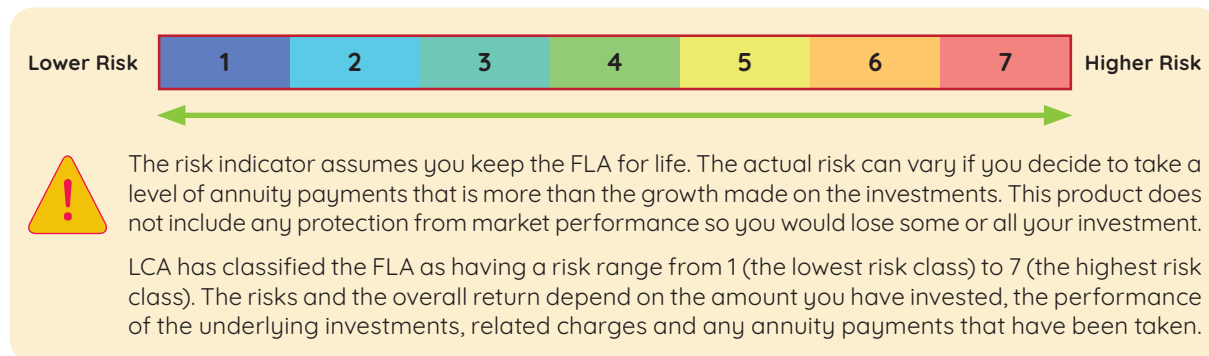

LCA will continue to make annuity payments for life, subject to there being sufficient funds in the FLA. The FLA will cease upon your death and no further annuity payments will be made.

LCA is a Protected Cell Company. This means that LCA will create legally recognised 'Cells' within the company to segregate and protect each policyholder's assets. The assets that underpin your FLA will sit within a separate and independently held Cell. On death any remaining assets that sit within the Cell will be available.

What are the risks and what could I get in return?

Risk Indicator

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows the possible range from the summary risk indicators of the underlying investments that can be seen in the key information document available from your investment adviser. Diversification across multiple investment types can create a summary risk score that is lower than the simple average score of the individual investments.

Performance scenarios

The performance of the FLA will be determined by the investment performance of the fund or funds selected. You should discuss the potential performance and possible returns for each investment with your investment adviser who should be able to discuss a specific illustration with you. Illustrations are only indicative and do not guarantee that the outcome would be achieved.

What happens if LCA is unable to pay out?

The Financial Services Compensation Scheme ('FSCS') provides compensation to customers of authorised financial services firms which are unable to satisfy claims against them.

Insurers registered outside the UK wishing to sell their products to UK residents can do so by passporting their products and services into the UK. LCA passports into the UK under the appropriate legislation, and therefore FSCS cover applies.

In the unlikely event that LCA were to default on claims under its policies, sales of its products conducted in the UK, to UK residents at the time the contract commenced, are covered by the 'protected contracts of insurance' part of the FSCS. Please see the FSCS website for full details: www.fscs.org.uk

The Prudential Regulation Authority ('PRA') covers the eligibility - see here for some useful information: <https://www.bankofengland.co.uk/prudential-regulation/authorisations/financial-services-compensation-scheme>

Detailed here is the PRA's latest list of eligible firms: <https://www.bankofengland.co.uk/>

What are the costs?

The cost shown below are LCA's charges. Your actual costs will vary depending on the underlying investments selected. The person advising you on this FLA may charge you other costs. If so, this person will provide you with information about these costs and show you the impact that all costs will have on the FLA over time. Any other optional costs, for example, fees payable to a discretionary fund manager, have also not been included.

Establishment Charge

A one-off charge of 2% based on the premium paid will be deducted as a single fixed amount from each premium paid.

The establishment charge is capped at £10,000 and this cap applies for the life of the FLA.

Annual Management Charge

An annual management charge ('AMC') will be deducted for administering your FLA.

The AMC is capped at £1,600 a year.

The AMC of 1% based on the total premiums paid will be deducted at the outset of your FLA and then yearly on each anniversary of your FLA.

Top-ups will be charged a proportionate AMC subject to the £1,600 cap.

How long should I keep my investment and can I take money out early?

The FLA is designed to be held for life. The FLA cannot be encashed or surrendered, although, you can take money out as regular annuity payments.

If you decide to take out the FLA, you will receive a Notice of Your Right to Cancel. You will then have 30 days from the date of this notice in which to change your mind.

If you invoke your right to cancel your FLA within the 30 days, you will get back the amount that you invested less any fall in the value of the underlying assets at the time LCA receives your notice to cancel. LCA will not be able to refund any adviser fees that may have been deducted.

How can I complain?

For further information, or if you wish to complain about any aspect of the service you have received from LCA, please contact the Customer Team:

London & Colonial Assurance PCC Plc

3rd Floor
55 Line Wall Road
Gibraltar
GX11 1AA

Email: LCA@stmgroup.online

Should you remain unhappy with LCA's resolution of your complaint, you have a right to pursue your claim through the Gibraltar Courts.
